

Complete your admission form online

It's quick and easy

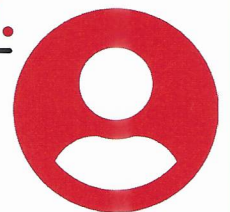

Completing your admission form online is simple. For most people it's a more convenient option than filling in and mailing paper forms, and it's better for the environment!

How do you complete your admission form online?

Everything you need can be found on the patient portal on our website www.cabrini.com.au.

Look for the red **"My Patient Portal"** button on the top right of the home page.

The button will take you to the patient portal where you will find the online registration form and resources about your stay at Cabrini. You don't need any login codes or passwords, just start entering your details. Once completed and submitted, your admission information will be instantly sent to us so that we can start preparing for your stay at Cabrini. And of course, you can access the portal from your computer, tablet or phone – easy!

If you have any questions about the online admission process, please don't hesitate to contact Cabrini Patient Services between 9 am and 5 pm Monday to Friday.
